

GENERAL BIBLIOGRAPHY

Extensive bibliography on the emigration from Valais

The catalogue of the Valais Multimedia Library and libraires in the Valais :

https://explore.rero.ch/en_US/vs

The catalogue of online digital books of the libraires in the Valais affiliated with the Romandic library network:

<https://doc.rero.ch/>

These two websites will allow you to quickly locate books on Valais emigration in our libraries and easily find those that have already been digitalized.

You will also find in pdf-file an extensive bibliography containing numerous books and articles in French, German, English, Spanish and Portuguese, on the emigration from Switzerland and ? especially ? from Valais; to consult this bibliography, please click on the following link:[Extensive bibliography](#)
